We won't charge you a fixed monthly retainer! Instead, we work on a commission-based system to give you a great hands-off opportunity. We charge 30% of the gross revenue your unit brings in per month. For example, if we've made \$1,000,000 in a month on your property, you'll take home \$700,000 and we'll only take \$300,000!

Receive Constant Support

Our dedicated team is there to take care of your property so that you don't have to. Our affordable and professional services include being there to support your guests, constant technical communication, and on-site operations management.

Manage Your Risks and Insurance

MDRN Escape Co. will help you protect your property income by giving you the security and insurance you need when it comes to pricing and managing your security deposits. Please note that terms and conditions apply.

[Services Page]

Our Services

As an innovative rental management and marketing agency, we don't just do the bare minimum when it comes to our clients – we go above and beyond what is expected of us. Our friendly and welcoming team of experts is dedicated to meeting every one of your needs and exceeding your expectations. Here are some of our amazing offers:

Import and Export Auto Ratings

You can easily update or change your listings' prices from one place and automatically import/export those changes to all your other platforms.

Direct Bookings

MDRN Escape Co. will boost your revenue by listing your property on different rental platforms for

your short-term rental properties on which your clients can make direct bookings.

Powerful Reporting

Keep track of every single transaction date and customer detail, as well as rates and cleaning fees, tax amounts, and more - thanks to our custom property reports. These reports will not only benchmark your properties, but also help you stay updated on any potential changes.

Cleaning and Organization

We can manage and oversee any work-orders, set cleaning tasks, and give you real-time updates thanks to our integrated calendar system.

Customer Communication

We help you keep an open line of communication with your clients by managing their booking process, sending them check-in instructions, communicating with them during their stay, sending them 'thank you' messages when they leave, and requesting property reviews. MDRN Escape Co. will help you create a customer experience that will keep them coming back every time.
