WALL BRUSH

FOR ALL PAINT TYPES

Superior paint pick up, release,
control & smooth finish

2.5 INCH | 63MM

BRUSH CLEANING & STORAGE

Clean your brush immediately
after use.

Don't allow paint to dry
on brush.

If using water based paints,
wash in warm soapy water.

If using oil based paints, first
wash with solvent cleaner or
mineral spirits and then warm
soapy water.

Rinse brush thoroughly, shake
out excess water, then comb
bristles straight and allow to dry.

Never soak the brush.

Hang brush with filament
pointing down.

QUALITY GUARANTEE

With years of brush making experience, we have
developed a superior paint brush to make your
painting job easier.
Formulated with our own unique blend of
synthetic filament technology, the Republic Wall
Brush will give you the perfect balance of paint
pick up and release, brush control and a superior
smooth finish.
Ideal for all broad wall & timber painting
applications.
