SASH CUTTER

FOR ALL PAINT TYPES

Superior paint pick up, release, control & smooth finish

3 INCH | 75MM

BRUSH CLEANING & STORAGE

- Clean your brush immediately after use.
- Don't allow paint to dry on brush.
- If using water based paints, wash in warm soapy water.
- If using oil based paints, first wash with solvent cleaner or mineral spirits and then warm soapy water.
- Rinse brush thoroughly, shake out excess water, then comb bristles straight and allow to dry.
- Never soak the brush.
- Hang brush with filament pointing down.
