

ISO 9001
API TANKS
12F, 620, 650
AWWA

FABRICATION & MACHINING

CAPABILITIES

HORIZONTAL LATHES:

Up To 24" Dia & 10' Long

VERTICAL LATHES:

Up To 44" Dia

HORIZONTAL BORING MILL CAPABILITIES

PRESS BRAKE:

1" Plate x 5' Wide

3/8" Plate x 14' Wide

IRON WORKERS:

Up To 85 Tons

BAND SAWS:

22" Cut Capacity

CNC PLASMA CUTTING

8' X 20' Capacity

CNC ROLL FORMING

1/2" X 10' Capacity

FACILITY

35,000 ft² Facility

5 Acre Storage Yard

DESIGN & ENGINEERING

CAD Drawings

Engineering Services

3D Modeling

WELDING PROCESSES

Carbon Steel

Stainless Steel

Aluminum

PAINT & CORROSION CONTROL

Dedicated Paint Bay

Plural Component Application Equip

Multi Step Liner Systems

Stainless Steel Passivation

Powder Coating

Galvanizing

SANDBLASTING

High Production Capacity

INSULATING SYSTEMS

Polyurethane Spray Foam

Metal Wrap

Heat Trace

SPECIALTIES

Tanks

Piping

Firetubes

Walkways & Stairs

Pump Skids

Trailer Components

Tank Vents

Clarifiers

HYDRAULIC ASSEMBLIES

System Testing

Hose Assemblies

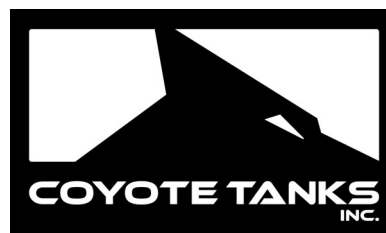

Ram Rebuilding

DRIVELINES

Custom built

Rebuilding

Straightening

OIL & GAS

WATER & WASTE WATER

POWER GENERATION

MINING

TANKS
PIPING

API 12F API 620 API 650 AWWA

A BRILLIANT IDEA MATERIALIZED...

It is said great ideas start with a brilliant flash. Likewise, we think a brilliant solution starts with an arc. From concept to construction we deliver results for the long haul.
