

Website layout for homepage (pls design as you see fit, we are just showing how we would like the content organised for the homepage)

Logo	Home	Our Research	Publications	Blog	News & Events	About Us
------	------	--------------	--------------	------	---------------	----------

Carousel

Feature (one picture & caption)

Highlights (space for 3 highlights - picture & caption)

Blog (we want a picture, caption, and mugshot of the author of the blog posting)

All research (just links)

<a href="#">Research Reports</a>	<a href="#">Working Papers</a>	<a href="#">Briefing Papers</a>
<a href="#">Practitioner Notes</a>	<a href="#">Commentaries</a>	<a href="#">Events &amp; Activities</a>

A joint research programme by: (As programme hosts, logos of Cardiff and IAL are bigger than the other two which are programme partners; we are likely to add in more programme partners as the programme progresses)

<a href="#">Cardiff Logo</a>	<a href="#">IAL logo</a>
<a href="#">Bristol University</a>	<a href="#">Oxford University</a>
