

Please remove “Contact Us” from the navigation throughout

“What I Do” will need a dropdown:

Please remove white logo and replace with the color logo (move the “hands” to the left). Like this:

Please replace this header with:
Versatile resource experienced in all phases of digital content development.

Please replace this paragraph with:
Specific expertise in content organization, web publishing, & product usability. Lover of tools—learned six content management systems in two years! Dedicated to project success through on-time delivery, friendly attitude, & excellent communication. More than 10 years of successful collaboration in traditional & distributed team settings.

Experience

Content Manager

As a Content Manager, I have extensive experience in managing digital content across various platforms. I am responsible for ensuring that all content is accurate, up-to-date, and easy to find. I have worked with various content management systems (CMS) and have a strong understanding of SEO best practices. I am a detail-oriented professional who takes pride in my work and is committed to delivering high-quality results.

Web Producer 3

I have a strong background in web production and have worked on a variety of projects. I am responsible for ensuring that all web content is accurate, up-to-date, and easy to find. I have worked with various content management systems (CMS) and have a strong understanding of SEO best practices. I am a detail-oriented professional who takes pride in my work and is committed to delivering high-quality results.

Senior Web Publisher

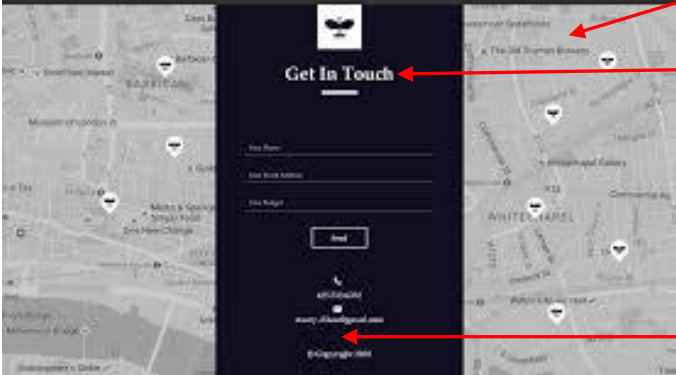

As a Senior Web Publisher, I have extensive experience in managing digital content across various platforms. I am responsible for ensuring that all content is accurate, up-to-date, and easy to find. I have worked with various content management systems (CMS) and have a strong understanding of SEO best practices. I am a detail-oriented professional who takes pride in my work and is committed to delivering high-quality results.

All of this looks great!

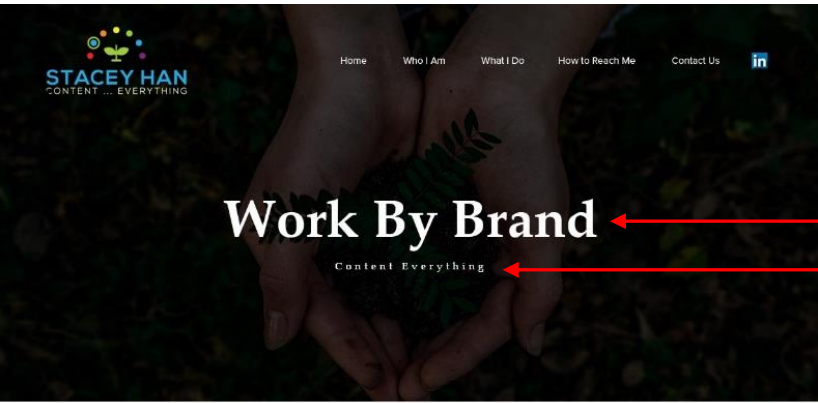

Please change background image since I am a remote worker – I’m open to ideas for a different image! Maybe a black and white global map?

Please change to: How to Reach Me

Can this entire module be the “How to Reach Me” page?

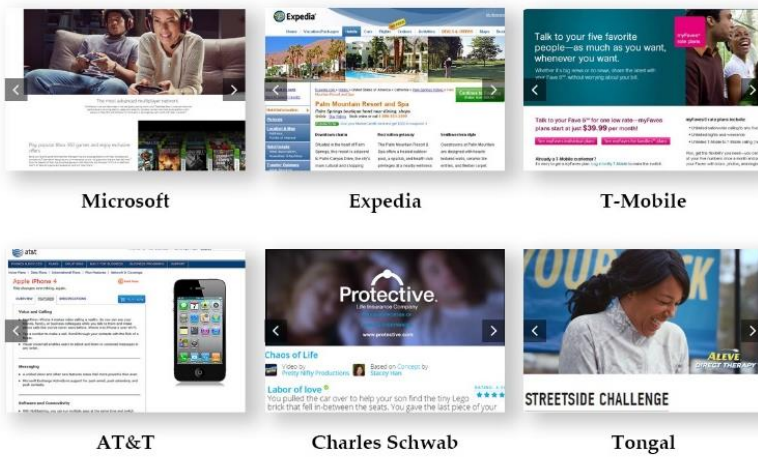

Please add LinkedIn icon+url:
<https://www.linkedin.com/in/stacey-han/>

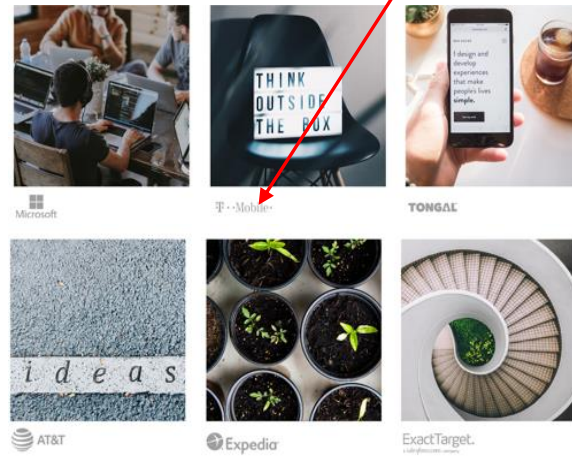

Please change to: What I Do
Please add the three dots, so it's:
Content ... Everything

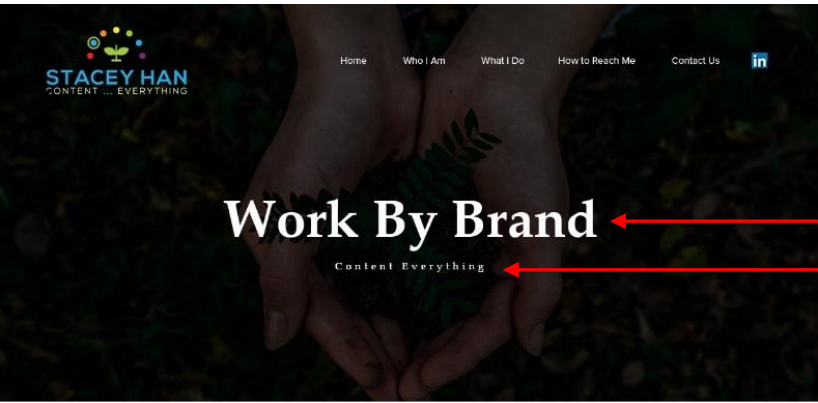

Please change to: By Brand

Is it possible to put the logos
under each tile? Like this:

If so, then we can remove these.

Please create the additional page: “By Craft”. It will have the same design as the “By Brand” page, but with different tiles.

Please change to: What I Do

Please add the three dots, so it’s: Content ... Everything

Please change to: By Craft

These three tiles will be replaced.
