HOW CAN WE DO THIS?

We contract with the world leading hotel chains and resorts to help them fill their otherwise empty rooms.

We help fill empty rooms which the hotels, resorts and cruise lines turn into additional revenue from other areas of their property and future bookings.

Hotels rarely experience full occupancy, yet they remain open, providing rooms and services at fixed costs. So when hotels give out their rooms by partnering with marketing companies like us, they might miss out on the room fee, but they already didn't have that in the first place, at least now they have the opportunity to gain a customer for their in-house restaurants, room service, their casinos, an extra day stay, future bookings, etc.

WHAT OTHERS SAY

"Being able to stay right on the strip in Las Vegas was great. I love that we were able to walk around to all the sites and attractions. The fountains at the Bellagio were AMAZING! The Gondola ride at the Venetian was very nice. I LOVED the atmosphere and the food. The whole experience was awesome. THANK YOU!"
