Carpet Cleaning

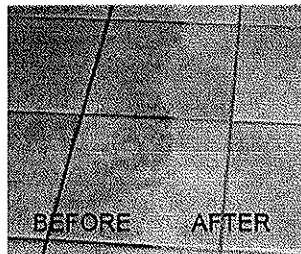

## Mopeka Carpet Cleaning

### It's Your Carpet, How Clean is it?

Carpet is one of the most used items in our household and yet is often the most ignored. Dirt, Sand, Food, Dander, Dead Skin, Hair, Grease and oil all build up over time. Sure you vacuum but is it doing enough? The answer is no! Let us take care of your carpet cleaning needs with our experienced technicians and the right equipment for the job.

### Tile & Grout Cleaning. The Results Speak for Themselves!!!

It only takes once before you are a believer! Tile and grout build up layers of dirt and grime over time. Mopping and scrubbing go a long way but from time to time they need a deep clean. That is where Complete Maintenance Care comes in. Regardless of where the tile is we can make a difference for you!

### Emergency Water Extraction!!!

Water does serious damage. When there is an emergency, timing is of the essence. When that pipe breaks or a back up occurs call us and we'll be there. Our knowledgeable staff and is equipped with the resources to give you the best chance of salvaging your carpet after a major water issue. **Call Today** to see how we can help!!!
