**About Angela...** With over 25 years blue chip experience, Angela Whitlock has helped many individuals and companies raise the bar.

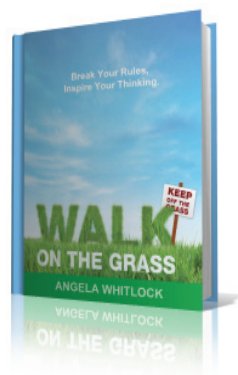

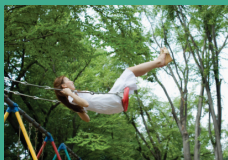

Using a unique blend of workshops, bespoke programmes, seminars and one-to-one sessions, Angela Whitlock has helped people like you to:

- reduce employee turnover
- increase profits
- improve management/employee relations
- achieve a greater personal focus and level of satisfaction

If you have goals for yourself or your business, contact Angela Whitlock to find out how we can help.

## Make Change Positive Now.

Achieve your personal goals, improve leadership, performance and development skills with Angela Whitlock.

**Walk on the Grass** will inspire you to achieve your full creative potential. Step by step, in easy sections, it will help you break established habits that restrict your creativity, whilst learning positive new ones.

Your new creative understanding will put you in the driving seat, making positive change in both your personal and business life.
