High Mileage and Synthetic Oil Additional

THESE ARE THE MAIN MENU ITEMS THAT I WOULD LIKE TO HAVE CENTERED ON THE MENU BOARD. THIS IS JUST AN EXAMPLE OF THE WORDING I

**Mobil 1 ADVANCED
FULL SYNTHETIC** **\$69.95**
is designed to meet or exceed the requirements of the industry's toughest standards. Mobil 1 offers exceptional start up protection, aids fuel economy and helps extend engine life.

**SUPER SYNTHETIC
OIL CHANGE** **\$59.95**
Super Synthetic provides excellent high temperature protection even under severe operating conditions. Super Synthetic is designed to help provide long engine life and outstanding protection in vehicles of all ages

**HIGH MILEAGE
OIL CHANGE** **\$44.95**
For Engines with Over 75,000 miles
It's a fact. As your engine ages, its performance decreases and oil breaks down faster. Over time, seals deteriorate, gaskets become brittle and oil consumption increases, leading to reduced engine performance.
