30 Gel Capsules

Reduce the Visible Signs of Aging

Rehydrate & Firm
Reduce Lines & Wrinkles
Smooth & Diminish Puffiness

COENZYME Q10

Usage Directions: Twist the 'T-Top' approximately three (3) times to open. After cleansing, squeeze the Q-Drops into the palm of your hand and spread evenly over the face and neck. Q-Drops can be used day or night, alone or under makeup. Use one capsule per application.

Precautions: For topical external use only. Do not ingest. Keep out of eyes. In case of contact with eyes, flush with water. If irritation persists, seek medical attention.

Made in the U.S.A.
