# A LAWN CAN BE MORE THAN JUST GRASS . . .

## WHO

**LAZY LAWN™** is Ontario's Premier Distributor and Installation Company of **Premium Synthetic Turf** and it offers you gorgeous green grass that never needs watering, fertilizing, mowing and cosmetic maintenance.

**LAZY LAWN™** is currently being used in a wide variety of venues and locations such as shopping malls, churches, office buildings, condominiums/ apartment complexes and golf courses to name a few.

## WHY

**LAZY LAWN™** will provide a maintenance-free lawn that always looks luscious and beautiful season after season without the use of pesticides and other harmful products because there will no longer be problems with insects or pests.

## BENEFITS

**LAZY LAWN™** will help you put an end to the monthly landscaping expenses. Not only will you save thousands of dollars each year but you will also realize many other savings such as the time spent dealing with landscapers, the monthly invoicing chore AND the high cost of water usage each week.

**LAZY LAWN™** is installed by trained professional dealers who stay current on all the latest installation techniques and synthetic grass technology. Your new **LAZY LAWN™** Grass System will be installed by highly skilled workers who understand important concepts like sculputuring, proper seaming techniques, and accurate drainage.

Our professionally installed products are fully guaranteed and there is a 10 Year Warranty on both the product and the installation.

## WHY NOT

**LAZY LAWN™** will further develop and enhance your Corporate Reputation with this eco-friendly product that is light-years ahead of the competition.

**LAZY LAWN™** will help you further realize the overall savings on your bottom line expenses.
