

Sugar Taylor Sauce

Eat it on your mashed potatoes!
Use Sugar Taylor Sauce as a bbq,
pizza or wing sauce. Try it as a
grilling baste, dip, glaze, or salad
dressing. A great topping for smoked
meats, seafood, burgers & sliders,
nachos, meatballs, mac & cheese, tacos
& veggies. Sugar Taylor Sauce adds
kick to all your favorite dishes!

Honey is a natural ingredient and therefore
has a tendency to granulate over time. Should
your Sugar Taylor Sauce last long enough
for this to happen, heat in a saucepan to
restore the original consistency.
