Aloha,

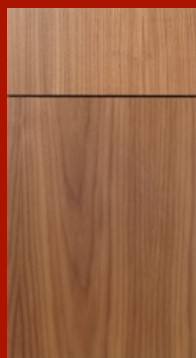

Thank you for your interest in Kyrie's Cabinetry.

My name is Ashley Galinato and I am the founder of Kyrie's Cabinetry. Let me tell you a little bit about our company and products we provide. We are a family owned company and locally based here on Oahu. All materials are ordered in the US and products are created & assembled locally at our shop. We fabricate everything from cabinet boxes and doors, to custom-made items such as furniture, entertainment units and almost anything your heart desires! Our quality products are made durable, strong and will surely outlast your typical after market cabinets. Contact us today!
