| **hair extensions**

human hair extensions

We offer natural human hair extensions that last 3-6 months. They attach to small strands of your own hair. Whether you just want to add length, thickness or highlights we have the solution. All our extension specialists have gone through extensive training and are certified by the manufacturer.

hair pieces

We offer Mi Hair pieces and Jessica Simpson clip-in hair pieces for that quick and easy total change. They are great for: weddings, prom, special occasions, or everyday. Maybe you are looking to add thickness or a highlighting effect to your own hair we carry human hair and synthetic hairpieces so you can choose.

eyelash extensions

Eyelash extensions are a revolutionary new way to add length and thickness to your current lashes; they are semi-permanent individual eyelash extensions not your traditional fake eyelash strips. They will look and feel like your own lashes
