New Drinks for Summer

Everyone who is anyone is visiting Latte Love on Thursday mornings 9:30 to 11:30.

Our baristas are now serving refreshing iced coffees and teas. Join these celebrities and see what all the excitement is about.

Lexi & Carly & Friends is a 501(c)3 nonprofit organization that provides support for adults with disabilities. From the beginning, one of Bryn Galisewski's goals was to provide services to those who were on years-long waiting lists for adult services. Pam Press and Barb Ziegler formed Lexi & Carly and Friends to raise money for scholarships and other needs of Stepping Stone participants. It was named after Pam's daughter, Carly, and Barb's daughter, Lexi. Both Carly and Lexi also serve on the Board of Directors.

Now Bryn's dream is coming true, as Lexi & Carly & Friends has awarded its first two scholarships. While funds are still quite limited, it is exciting to be able to provide two of our participants with some extra hours at the Center.

Do You Have Your Card?

All of the proceeds from our Friday events go to the nonprofit. We'd like to recognize Ed Galisewski, Pam Moore and Pam Press for donating the delicious food at many of our events.

Another major fundraiser for Lexi & Carly & Friends is the King Soopers Gift Card Program. Get a gift card from us, load it with the amount you are going to spend on groceries. Then just use the card to pay for your groceries. At NO COST TO YOU, King Soopers gives our non-profit 5% of your purchase. If every participant and volunteer family spent just \$200 a month on groceries, Lexi & Carly & Friends could earn \$5000 a year! And it doesn't cost you anything. You just buy groceries with your gift card. You must get your gift card from us for L & C & F to get the donations. To get your card, just email Barb Ziegler: barb@steppingstonesupportcenter.

And of course, cash donations are always appreciated.

Your Own Label on Our Lip Balm!

From realtors to 5K Runs, promoters are turning to Stepping Stone Products' Special Label Lip Balms. Our crew makes all natural lip balms and puts YOUR label on them. Great giveaways, thank-you's or for adding to a goodie bag at a golf tournament, party or gala.

Please tell your boss, your friends and your Uncle Bob --- Stepping Stone lip balms are a great way to spread your message.

Opening a New Door

Stepping Stone Support Center is getting its very own entrance at the Church!

When visiting the Center, please park and enter on the east side of the Church. Turn left down the hall and then take the first (and only) corridor on the right.

Note: We will still be using the northwest entrance on event nights.
