El Dorado Cantina, a new upscale 181-seat restaurant and lounge close to the Las Vegas Strip, will open to the public on Friday, June 20 and the grand opening is slated for July 24. The concept will present authentic Mexican cuisine representing the regions of Mexico and its vast culinary traditions.

We believe strongly that sustainably-raised products and offering superior quality in our incredibly flavorful food keeps the high standards of our guests in mind. All of our beef, chicken, pork, shrimp and fish originates from carefully-selected in the U.S. and are free of antibiotics, pesticides and steroids.

The Bar offers delicious white, red and sparkling Sangrias house made with fresh fruits, assorted domestic, import beers and specialty craft beers including Samuel Pure Brewed Organic Lager, Day of the Dead IPA, wines, champagne, bottle service and more than 100 tequilas such as AsomBroso "Vintage" 11-Year aged and Clase Azul Ultra.

The décor is sophisticated with its rich brown woods, hand-woven deep red wall coverings, wrought-iron Mexican light fixtures adding a soft lighting ambiance, custom built-in lighted birch wood boxes showcasing premium Tequilas, several antique mirrors, and two beautifully-oged antique Mexican oak and copper doors hung near the bar.

The private dining room accommodates up to 40 persons and is available for catered banquets, parties, meetings and buyouts.
