GroupPrezzie is an online service that helps you organise a group money collection. We provide the central payment point and communication platform.

It's convenient, secure and easy. Easy for those collecting the money and easy for those contributing.

How do I organize a GroupPrezzie?

- You set up a GroupPrezzie @ www.groupprezzie.com.au and invite your group (via emails or FACEBOOK)
- Your group go online to GroupPrezzie to contribute \$ and leave a personal message for the gift recipient
- We send reminders to your group relieving you of the hassle of "chasing people"
- You take the funds collected and buy whatever you like, for the gift recipient, on or offline

Great gift giving occasions include, birthdays, thank yous and farewells.
