

Computer problems?

We'll help! =)

Professional, easy-to understand tech support
really does exist

STRESS-FREE SERVICE

Time-poor? Frustrated? Need someone reliable & honest?

We have been servicing Carlton and Melbourne for 20 years with excellent tech sales & service.

A previous **Finalist** of the **Leader Business Awards** for **Customer service**.

We also sell to/service businesses, homes & schools. Servers. Computers. Networks.

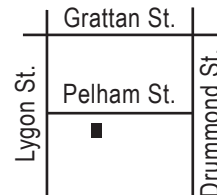

IN-HOUSE. REMOTE. ONSITE.

Flexible service options for home & business.

We can log into your computer to fix your problem or if you prefer good old traditional service, you can bring your computer in to our store or we can come to you.
