

## [For Design 4173938](#)

### Change 3 :

Page 2 of the brochure :

Could you add a small icon like this

In each one of the screen shots of the Library ( CEUML 1 to 6 ) so people can get a feel for the fact that they are clicking on options within this website – if this does make sense let me know – keep them simple , small , in the same orange , one in each screen shot

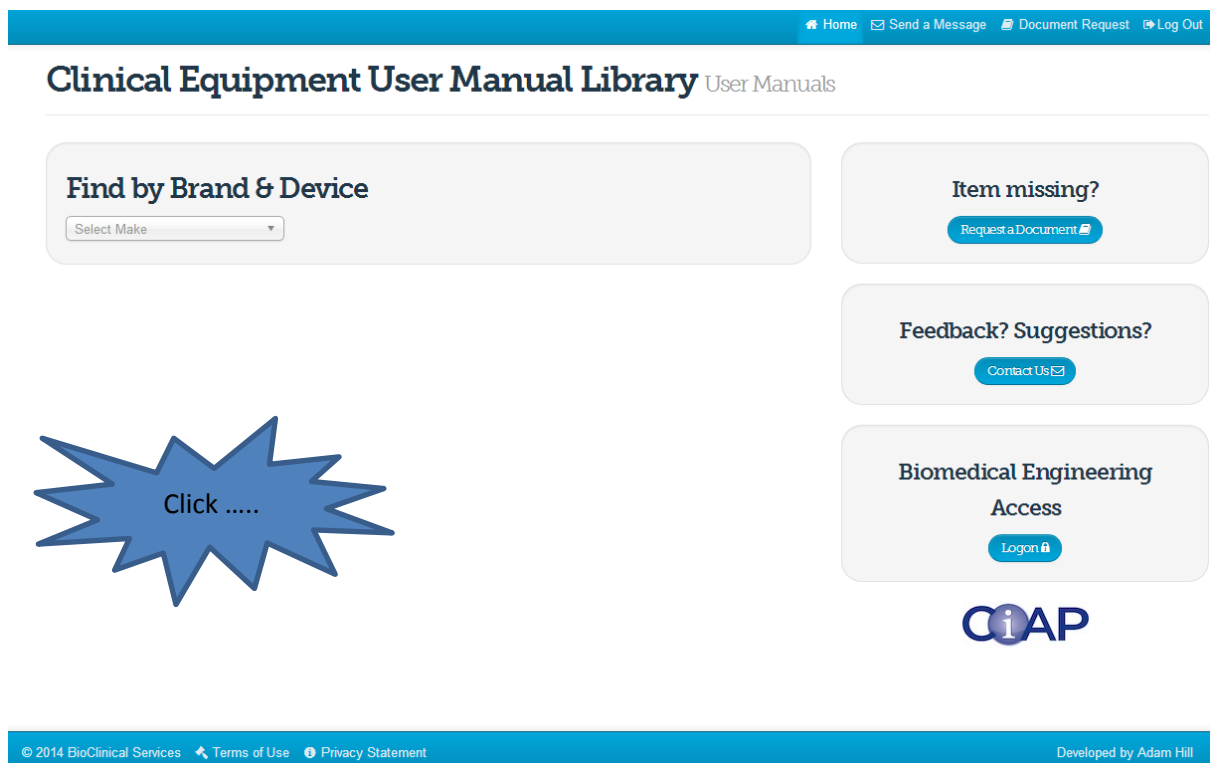

Figure 1
