

GIVE THEM THE BEST

Ametza Pellets are made for people who want only the best for their animals.

Ametza is one of the largest suppliers of baled hay products in the world. Our pellets are made from the same premium hay we carefully select for leading feed stores, dairies, and ranches.

We make our pellets in our state of the art mill, located in California's Imperial Valley. We are dedicated to making the highest quality pellets you will find anywhere.

AMETZA PELLETS

Our pellets provide superior nutrition for your horses, sheep, cattle, and goats. We offer four different formulas, each containing a premix of vitamins and minerals essential to your animal's well being.

	Crude Protein (min)	Crude Fat (min)	Crude Fiber (max)	Ash (max)
Alfalfa Hay	14%	1%	42%	14%
Bermuda Hay	8.25%	1%	30%	10%
Alfalfa Bermuda Blend	10%	0.75%	48%	25%
Artoa	12%	1.5%	30%	10%

Our signature *Artoa* pellet contains a precise blend of alfalfa and corn to produce a premium pellet ideal for your performance horse.

WHY FEED PELLETS?

- **Ration Control** – Minimize diseases caused by feeding errors, such as colic and founder in horses.
- **Consistent quality** – Ensure your animal consumes all of the nutrients it needs.
- **Convenience** – Require less room for storage and easy to transport and clean up.
- **Cost effective** – Reduce feed waste.
- **Safety** – Eliminate fire hazards and protect your animals from mold, twine, and foreign objects sometimes found in baled hay.
