TOURNAMENT DETAILS

On **October 4, 2013**, we invite you to “bring your game” and join us at the Second Annual *Lawyers Can't Jump* Charity Basketball Tournament.

This year, **Lawyers Can't Jump** is partnering up with the Sick Kids Foundation and calling on participants from the legal/insurance industry to participate and pledge donations during a one-day basketball tournament.

Participants play a minimum of 4 games at the state of the art **HOOPDOME** facility. All games are played on regulation basketball courts and officiated by certified referees.

The participation fee also includes: catered lunch and refreshments courtesy of **Network Court Reporting**, a free- T-shirt for your team, access to exciting prizes and giveaways, a silent auction courtesy of **Real Sports** and a massage therapy station courtesy of **Activa Clinics**.

Participants are placed on teams based on size and experience. Most of the players are members of the personal injury/insurance industry. All proceeds will go to the Sick Kids Foundation - Leukemia Ward.

SICKKIDS FOUNDATION

The Hospital for Sick Children is recognized as one of the world's foremost paediatric health-care institutions and is Canada's leading centre dedicated to advancing children's health through the integration of patient care, research and education.

Founded in 1875 and affiliated with the University of Toronto, Sick Kids is one of Canada's most research-intensive hospitals and has generated discoveries that have helped children globally.

SickKids Foundation has been raising funds on behalf of SickKids since 1972.

The mission is to inspire our communities to invest in health and scientific advances to improve the lives of children and their families in Canada and around the world.

IN SUPPORT OF
SickKids®

SICKKIDS FOUNDATION

Last year, *SickKids Foundation* made its largest grants ever to paediatric care, research and learning: \$92.6 million overall, of which \$88.7 million went directly to Sick Kids.

Next to government, *SickKids Foundation* is the largest funder of child health research, learning and care in Canada.

The Foundation grants support child health projects locally, nationally and globally.

More than 262,000 people and companies made a donation last year.

The Foundation is among the first charities to be accredited by Imagine Canada's Standards Program.

Motor Vehicle
Accidents

My nephew was involved in a serious car accident which left him in a coma for a number of months. Bergel, Magence LLP was always there to answer questions, meet with the doctors and therapists to ensure my nephew was getting the best care. Bergel, Magence settled the case for **more than \$2 million**. I was so pleased with the care and attention we received, I have recommended their services to other accident victims. Thank you for the expertise, guidance, dedication and professionalism that the staff portrayed throughout this time.

Roy Y. - Brampton

Serious Injuries

I injured my hand as a result of a defective product and recovered **over \$500,000** thanks to the Bergel law firm. From the moment I arrived at the first interview, my injury case was handled in a professional way. The lawyers and staff really did listen to me.

J. C. - North York

Slip & Fall
Injuries

Our daughter had a very serious brain injury. We contacted eleven personal injury law firms, none of which were willing to help us. We then contacted the firm of Bergel Magence LLP. We could not have had a more involved team looking after our daughter and her case. Their tenacity, strategy and actual caring for our daughter led to a settlement of **more than \$1,150,000** and her lawyer is still in contact with us nearly five years later. We highly recommend Bergel, Magence LLP.
