

Private Charters & Yachting

Once in a lifetime...

Charter any of our boats including our yacht, the 55' "Paradise Explorer", for a day that you will never forget.

All of our charters are fun and world class, but there is something to be said for just doing nothing, just the bliss of the blue ocean, warm caribbean breeze, and white puffy clouds. And the option to snorkel, see the stingrays etc...

Cruise around the North Sound to secluded beaches & reefs or Seven Mile Beach, or just out to sea & into the sunset...

Enjoy the privacy of a chartered yacht for sunbathing, cocktails and total escape...

...Priceless!
