

This is a new page, and you come here by clicking on the link 5+apartments on the salepage.

Put in a sentence/link for Advertising fewer then 5 properties.
(This shall only be a small link so that the user can be sent to an adjust page if they have several apartments, look at this link how they have solved this for fewer then 15 apartments,;
<https://www.holidaylettings.co.uk/content/agency>)

Do you own or manage more then 5 properties?

Then we both want and are ready to help you maximize your profit on your portfolio and to help to make the administration of it more efficient.

On Jouell you can rent out:

(Put in a picture, video, graphic, something nice saying) Villa, Castle, Apartment, Farm/Farmhouse, Chalet and Holiday House.

And make a profit on it. You ask how?
Keep reading and we will let you know how easy and hassles it is!

Add selling point same way as
(<https://www.holidaylettings.co.uk/content/agency>)

(add icons/symbols on the left side of the text below)

Access Scandinavians

Our roots are from Norway, and we know the Scandinavian market especially good and help you get tenants from these very travel friendly markets.

Broad exposure

We have been in the market for several years and are promoting your property true the necessary and right channels.

Trust & Safety

You are still in control of your property. We have good tools who help you accept a booking only if you're 100% comfortable.

No Traveler fees

Unlike many other vacation rental booking site, travelers can book vacation rentals without paying any fees to us, maybe one of the reason we have so many returning costumers.

Payments by Jouell

Guests are always careful when it comes to payment. Lets everybody feel safe true secure payment with Jouell. Then we are responsible that you get paid.

Online Booking

We simplifies the booking process by allowing tenants to send online reservations request which gives you a 24-hour period to accept or decline the reservation

Easy-to-Use Tools

Get access too a very well developed reservation and management tool that helps you keep track of bookings

Unlimited inquiries

When you are renting out your property you need inquiries, therefore we have no fees on inquiries for your property.

Unlimited photos

A picture says more then 1000 words, therefore we inspire you too upload as many pictures as possible.

Online calendar

Tenants like to know when your property is available straight away, and we let them know that. At the same time you can easily manage your availability.

Map and location

Tenants are always wondering where your property is located. Show them true our map and let them know were nearby attractions are.

We can't wait to also help you with getting more bookings for the future...
