NAADAC members can earn over 85 free CEs!

Pharmacotherapy: Integrating New Tools into Practice

Disulfiram (Antabuse), naltrexone (ReVia/Depade/Vivitrol), and acamprosate (Campral) are diverse medications that have different purposes and ways of working in the brain. This course provides a comparison of the four FDA-approved pharmacotherapies to help treat alcohol dependence and presents strategies for overcoming treatment obstacles, matching patients to the most appropriate therapy and motivating patients in treatment.

Independent Study Course w/Bound Manual and Quiz (6 CEs): \$35 for members; \$50 for non-members

New Horizons: Integrating Motivational Styles, Strategies, and Skills with Pharmacotherapy

This course discusses how addiction professionals can utilize a motivational style in addiction treatment, as well as how to integrate appropriate motivational strategies and skills to help the alcohol dependent move through the Stages of Change and consider pharmacotherapy as a treatment option.

Independent Study Course w/Bound Manual and Quiz

(6 CEs): \$35 for members; \$50 for non-members

Online Course (1.5 CEs): free for members; \$25 for non-members

Blending Solutions: Integrating Motivational Interviewing with Pharmacotherapy

Motivational Interviewing and pharmacotherapy with the Stages of Change model by utilizing live trainer instruction, video clips of counseling interactions and patient testimonials.

Online Course (2 CEs): free for members; \$30 for non-members

Conflict Resolution for Professionals and Clients in Recovery

A skilled-based therapeutic training that is focused on the brain, specifically how it works in conflict and how to affect the quality of recovery in relationships. These tools have been designed to help reduce relapse and sustain recovery of adult and adolescent substance use, abuse and dependent persons by improving their conflict resolution knowledge, attitudes and skills. This kit includes a Trainer's Manual that features talking points, exercises and role plays that focus around the course themes, as well as tips for interacting with groups and individual/family/couple clients. The Participant's Manual outlines key concepts, provides visuals that reinforce content and includes homework assignments and personal exercise sheets.

Trainer's Manual: \$135 for members; \$150 for non-members

Participant's Manual: \$15 for members; \$30 for non-members

Complete Recovery Kit: \$150 for members; \$180 for non-members

Medication Management for Addiction Professionals: Campral Series

This course presents valuable information about alcohol dependence and acamprosate (Campral), including how it works, comparison to other medications, case studies of actual patients, model treatment plans and frequently asked questions.

Independent Study Course w/Bound Manual and Quiz (6 CEs): \$35 for members; \$50 for non-members

Online Course (6 CEs): free for members and non-members

New Innovations In Opioid Treatment: Buprenorphine

This course discusses the four facets of opioid dependence and addiction (biological, psychological, social and spiritual), three FDA-approved medications for opioid dependence, applying strategies to match patients to the most appropriate therapy, methods of motivating patients in opioid dependence treatment and building cooperative relationships between addiction professionals and prescribers.

Independent Study Course w/Bound Manual and Quiz (6 CEs): \$35 for members; \$50 for non-members

Online Course (1.5 CEs): free for members; \$25 for non-members
