Keynote Speakers

Marion Penny Steve and Marion Penny are the Senior Ministers of Kings Christian Church on Queensland's Sunshine Coast. Marion is known and loved for her compassion, grace, faith and sense of humour. She has been a long-time advocate for the welfare of children in Third World nations through child sponsorship and orphanages. Marion's chapter in the best-selling book "Where's the Miracle?" about the death of her son Andrew from cancer is a powerfully moving insight into her life and faith. Marion has demonstrated the power of faithfulness and consistency through over thirty years of ministry – her life is an inspiration and encouragement to many. Steve and Marion have two children, Luke and Sheree, who are both serving God with them in Kings.

Julie van Eps is the creator behind the new brand of fresh gourmet baby food called Baby Boost that hit the shelves of major supermarkets Coles, Bi-Lo, and Woolworths, earlier this year.

Julie has a background in Sales and Marketing and through this experience; Julie has broken into a niche market within a market that is worth over 200 million dollars a year in Australia alone – and all from the comfort of her own home. Her greatest inspiration comes from her 3 boys.

Julie and her husband Peter have a drive and passion to see finance directed into the Kingdom through the success of Christian businesses.

Julie has experienced much of God's grace and favour and inspires others to fulfill God's dreams for their lives and to take greater steps of faith. She is a committed Christian and has spoken at various conferences and meetings.
