What life stage are you at?

18-30 years... Image: 18-30 life stage - Should I start financial planning now? - What insurances do we need? - What is the best way to save? (above in a speech bubble – or 3 speech bubbles? – above or around image)	30-45 years Image: 30-45 life stage - How do we create a balanced financial plan? - Have we got the right insurance cover? - Which investments are best for us? (above in a speech bubble – or 3 speech bubbles? - above or around image)	45-65 years Image: 45-65 life stage - Are we on track for retirement savings? - Is our health insurance cover enough? - Have we correctly structured our business? (above in a speech bubble – or 3 speech bubbles? - above or around image)	65+ years Image: 65 plus life stage - Can we take our dream holiday? - Should we consider downsizing the house? - How often should we revise our will? (above in a speech bubble – or 3 speech bubbles? - above or around image)
