Attention HOA Board Members...

When you get sued... will your Directors & Officers policy pay Legal Defense Costs?
Are your personal assets exposed?
Are current and **former** directors covered?
Does your D&O policy **exclude** Failure to Carry Sufficient Insurance?
Just because your D&O policy is with a Big Name Company,
do you think they offer the best coverage? Think again!
Did you know... not all D&O policies use the same definitions.
“Who Is An Insured” and “Wrongful Act” can significantly alter coverage.

HOA insurance is what we do.

**Based on our recent audits over 40%
of HOA insurance is out of compliance.**
