

THE STRONGEST AND SIMPLEST TO INSTALL,
DOOR CHAIN & FLIP LOCK

WORLD'S STRONGEST DOOR CHAIN & FLIP LOCK

**FITS ALL TYPE
OF DOOR HANDLES,
INSTALLS IN ONLY
ONE MINUTE
USING A PHILIPS
SCREWDRIVER**

INSTRUCTIONS

Remove the two screws holding your current strike plate (located next to door handle on door frame), and install the strike plate lock with the two enclosed screws. To secure door when closed, swing the flip lock to the closed position. To secure the door when it is open, place the large ring over the door handle.
