COLLECTION

- All furniture in the Marsden Collection is made from NZ radiata Pine.
- All products have lacquer finish over a range of stain colours.
- Dining table tops are all finished with a two-pot lacquer for added protection.
- We are happy to colour match to order.
- Colour variation can be expected due to the natural grain in solid timber.

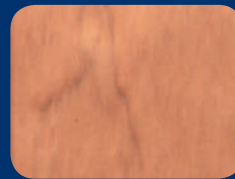

GENERAL CARE

- For normal cleaning, wipe the surface with a damp cloth.
- Do not place hot dishes or pots directly on lacquered surfaces.
- Avoid using furniture polishes, especially those containing silicone.
- Avoid exposure to excessive sunlight.
