Klaus Veile

Experienced Expert in High Performance Mindset & Performance Enhancing Psychology, CEO at Sapiens Consulting ApS, President Danish Rugby Union

Helps realize the potential of the Leaders.

Many managers possess great potential to be discovered or further developed. Klaus Veile believes that the mark of a true leader is to make the most of what already exists. Klaus is an experienced expert in inspiring leaders to discover and evolve their leadership potential.

"Klaus Veile is probably the one individual that has had the most profound influence on my career providing the tools to manage challenges, organizational changes, and to boost employee performance, as well as my own", - Henrik Brandt, Director at Deltek Systems Inc.
