An underwater photograph showing a large tiger shark swimming horizontally across the middle of the frame. The water is a deep, clear blue. Numerous small, silvery fish are scattered throughout the scene, particularly concentrated in the upper left and lower right areas. The shark has a greyish-brown body with dark, wavy stripes along its side. The overall lighting is soft and diffused, typical of an underwater environment.

A wide-angle photograph of a sunset or sunrise over a calm body of water. The sky transitions from a deep blue at the top to a bright orange near the horizon. Several birds are silhouetted against the orange sky, flying in a loose formation. A small boat is visible on the horizon line. A crescent moon is visible in the upper right portion of the sky. The image is overlaid with a large, semi-transparent 'iStock.' logo and the text 'by Getty Images™' in the center. Four thin white lines radiate from the center towards the corners of the image.
