6:00pm to 9:30pm				Ontario Association of Veterinary Technicians Awards Banquet									

# TOPIC STREAMS

## Equine Medicine and Equine Anesthesia

- Dr. Jordan Cook DVM, BSc.

Equine Lameness: Part 1 *(Sponsored by Ceva)*

Equine Lameness: Part 2

Tracey Mitchell REMT

Equine Massage Therapy Post Surgery
- Lori Monique Dressel RVT, BPS, AVTA (Large Animal Anesthesia)

Anesthesia in the Colic Patient

Anesthetic Complications During Colic Surgery

Anesthesia on Large Animal Neonates

## Pain and Rehabilitation

- Dr. Janice Huntingford DVM, Certified Canine Rehabilitation Therapist, Certified Veterinary Acupuncturist

Introduction to Acupuncture and Traditional Chinese Veterinary Medicine for the Technician

Integration of Acupuncture and Canine Rehabilitation Techniques for the Treatment of Spinal Cord Disease in Dogs

Acupuncture: **Wetlab**
- Dr. Fernanda Saraga Ph.D. with Karen Link RVT

Applications of Laser Therapy for the Veterinary Practice: **Wetlab**
- Dr. Kim Gdanski DC., Doctor of Animal Chiropractic

Animal Chiropractic
- Dr. Walt Ingwersen DVM, DVSc.DiplACVIM(SAIM) *(Sponsored by Boehringer Ingelheim)*

Pain Assessment in the Dog and Cat:

The RVT's Role as Patient Advocate (Acute Pain)

Pain Assessment in the Dog and Cat:

The RVT's Role as Patient Advocate (Chronic Pain)

## Nutrition

- Dr. Adronie Verbrugghe DVM, Ph.D., Dipl. ECVN *(Sponsored by Royal Canin Canada/Medi-Cal)*

Unconventional Diets for Dogs and Cats

Nutrition and Gastrointestinal Disease: There is No Single GI Diet

Cats and Carbohydrates: The Carnivore Fantasy

Interaction Between Diet and Behaviour

What's New in Critical Care Nutrition

## Emergency and Critical Care

- Amy Breton CVT, VTS (ECC)

Bad Vein; How to Gain Venous Access on "Naughty" Veins and What to Use

Nursing Care for the Septic Patient

Gastric Dilatation & Volvulus: From Diagnosis to Recovery
- Lucy Siydock BSc., RVT, VTS (Anesthesia)

Gastric Dilatation & Volvulus: From Diagnosis to Recovery
- Scarlett Wong BSc., RVT, VTS (ECC)

Small Animals: Transfusion Medicine
- Dr. Marie Holowaychuk DVM, DACVECC *(Sponsored by Royal Canin Canada/Medi-Cal)*

RECOVER Results: Clinical Guidelines for Veterinary CPR

Myths and Misconceptions in Canine Trauma: From HBC to BDLD

Top 10 Toxin Ingestions in Veterinary Practice
- Angela Randels CVT, VTS (ECC, SAIM)

The Great Pretender: Addison's Disease

Cushing's Disease

## Anesthesia

- Kim Spelts BSc., CVT, VTS (Anesthesia)

Thinking Outside the Box: Feline Anesthesia & Analgesia *(Sponsored by Pfizer)*

Long in the Tooth: Anesthesia for the Geriatric Patient

Anesthesia in Patients with Concurrent Disease
- Dr. Carolyn Kerr DVM, DVSc, PhD, Dipl. ACVA

Capnography

Morbidity and Mortality in Veterinary Anesthesia: An Update

Approaches to Dealing with Common Peri-anesthetic Problems

## Special Interest

- Pierre Senecal MBA, CGA, CFP (Financial Consultant) with Suzanne Wiles

Personal Finance
- Dr. Catherine Filjeski DVM

Registered Veterinary Technicians and the One Health Tribe: Leadership in Veterinary Public Health in Ontario

## Large Animal Medicine

- Dr. Catherine Furness DVM, M.Sc.

Emergency Planning and Preparedness for Large Animal Species: What is Ontario's Level of Preparedness?

Special Considerations for Large Animals in Emergencies
- Dr. Neil Anderson DVM

Practical Aspects of Feeding Milk to Dairy Calves Behind Dairy Barn Doors

## Personal Growth and Communication

- Becky Taylor RAHT *(Sponsored by Virbac)*

Teach, Coach, Train: Get Your Message Across!

Performance Review: Toot Your Own Horn!
- Dr. Melanie Barham DVM

Communicating During Difficult Situations for Veterinary Technicians: **Lecture**

Communicating During Difficult Situations for Veterinary Technicians: **Workshop**
- Dr. Shane Bateman DVM *(Sponsored by Hill's Pet Nutrition Canada)*

Compassion Fatigue

Navigating End of Life Discussions

## Small Animal Internal Medicine

- Dr. Elizabeth Snead DVM, MSc., DiplACVIM(SAIM)

Feline Diabetes: What is New in Terms of Diagnosis and Treatment *(Sponsored by Hill's Pet Nutrition Canada)*

Hyperthyroidism: What is New in Terms of Treatment *(Sponsored by Hill's Pet Nutrition Canada)*

A Potpourri of Interesting Small Animal Endocrinology Cases
- Dr. Elizabeth O'Brien DVM, DABVP *(Sponsored by Hill's Pet Nutrition Canada)*

Arthritis in Cats : Recognition, Prevention, Treatment; It's all about Quality of Life

The Special Needs of the Senior Cat in the Clinic and at Home
- Dr. Fernanda Saraga PhD. And Karen Link RVT

Low Intensity Laser Therapy for the Treatment of a Range of Musculoskeletal Conditions and Wounds
- Angela Randels CVT, VTS (ECC, SAIM)

Diabetic Ketoacidosis: Those Darn Diabetics! (Diabetic Complications)
- Dr. Walt Ingwersen DVM. DVSc.DiplACVIM(SAIM) *(Sponsored by Boehringer Ingelheim)*

The Role of the RVT in the Care and Management of Dogs With Acquired Heart Disease

## Surgery

- Danielle Browning LVMT

Basic Wound Management

Alternate Therapies in Wound Management

Aseptic Technique: Preparation of the Patient, Surgical Team, OR & Equipment
- Oncology

Dr. Kelly Mitchell B.Sc., DVM, DVSc., DACVIM (SAIM)

Veterinary Chemotherapy: Techniques For Safe Handling, Administration & Disposal

Veterinary Chemotherapy: Identification, Treatment and Prevention of Chemotherapy Related Complications

## Dentistry

- Kathy Istace AHT, VTS (Dentistry)

Increasing Client Dental Compliance *(Sponsored by P&G)*

Periodontal Disease and Dental Prophylaxis *(Sponsored by P&G)*

The Science Behind Dental Home Care Products
