

What's In Your Division of Financial Responsibility?

The IHA Coded DOFR was developed by a collaborative multi-stakeholder group to:

- Standardize and codify the DOFR template for use as a reference tool
- Reduce administrative costs associated with shared risk contracts
- Improve patient satisfaction by reducing claims “ping pong”
- Support entities launching new accountable care models
- Sort over 14,000 codes by service & sub-service categories

Purchase the Coded DOFR or the DOFR Explorer™ Search Tool today!
