Mission Ridge Animal Hospital is pleased to welcome Dr. Jessica Wilson to our practice.

Graduating from the Western College of Veterinary Medicine in Saskatoon in 2002, Dr. Wilson has over 10 years of veterinary experience. Her love and care for animals extends beyond work to her home and through her volunteer work at the local wildlife rehabilitation centre. Dr. Wilson loves the challenges and diversity that a general veterinary clinic brings and has a special interest in internal medicine, dentistry and improving the quality of life for aging pets.
