

*Our process is simple,  
let us **HELP** you.*

1. **Contact PGRS for a FREE inspection.**
2. **After our storm damage specialist has verified damage, you will contact your insurance company.**
3. **The PGRS representative will meet with the insurance adjuster to review the damage.**
4. **The insurance adjuster will file a loss summary report.**
5. **PGRS will review the report and make sure that the reported damage is complete and accurate.**
6. **Materials are chosen and a date is set for work to begin.**
7. **We will notify the insurance company upon completion of the work and initiate the release of remaining funds.**
8. **ALL you pay is your deductible.**

**When a natural disaster causes damage to your home, an insurance claim will not affect your premiums.**
