

J. TIMOTHY BAST
INC
TAX SUPPORT SERVICES FOR PUBLIC ACCOUNTING FIRMS

Do your clients need help with their U.S. taxes?

You probably know that U.S. citizens have to file U.S. tax returns every year—even if they live in Canada. So do your clients. That's why they're asking you if you know anyone who can help them with their U.S. filings.

Finding a tax accountant who can help with U.S. filings is tough. U.S. tax preparers have to be registered with the IRS to be eligible to prepare U.S. returns. Your client needs someone with experience, someone timely, someone charging a reasonable price. With a proven track record of over 15 years, I can deliver.

Feel free to pass along my contact information to your clients. I'd be glad to chat.

J. Timothy Bast Inc. is a boutique tax accounting firm specializing in tax support for public accounting firms. However, I also provide Canadian and U.S. tax advisory and compliance services to the general public.

Please feel free to contact me if I can be of assistance to you or to your clients.
