

THE HEALTHY BACK Seat Wedge

Total Comfort While Sitting

The Healthy Back® Seat Wedge is designed to level out your seat by bringing your hips and knees to a neutral position, reducing the impact to your spinal discs. The removable insert at the rear of the cushion helps to relieve pressure in the tailbone area. **The Healthy Back Seat Wedge will help you feel better than ever before!**

BENEFITS & FEATURES

- Made with visco elastic memory & poly foam
- Wedge shape with a 3" to 1" taper ratio
- Non skid bottom
- Cover is removable and washable
