*Delete the word "their"*

*Bolder / Perhaps Italic*

*Perhaps a different image  
Instead of an older couple, something  
tax related, i.e. tax forms, money  
calculator, etc.*

*Delete the "Call the Office"  
language and substitute the  
"I personally guarantee -  
when you attend this seminar..."  
language*

*Bolder / Perhaps Italic*

*You can delete the  
"www." from our  
website address. I believe  
it is now "implied".*

*Let's delete the indicit  
at this point, I will add it later  
depending "whose" indicit I use.*

A FREE EDUCATIONAL SEMINAR

A Unique, One-Of-A-Kind Program Reveals  
Little Known Secrets Used By America's Wealthiest Families To Reduce And Even Eliminate  
Their Income Taxes During Their Retirement Years

- Are you upset or angry at the government for confiscating more and more of your hard earned money??
- Many financial experts agree that income taxes need to double (that's right, double!) in the next ten years or else we will fly head over heels into another financial disaster??
- How would you like to dramatically decrease or even eliminate your income taxes during your retirement years?? (it is possible!)
- This information is critical to your retirement plan! Reducing or eliminating income taxes during retirement can make your financial nest egg last much longer and since Americans are living longer than ever before, you should be doing everything possible to learn about this critically important subject.
