

Wet Cleaning

The new safer concept

Worried about the health implications surrounding PERC?

Want a safer Wet Cleaning environment?

Why not have the latest in Wet Care commercial laundry equipment, Renzacci Finishing equipment and the safe Kreussler chemicals installed to achieve the very best results in a totally safe environment.

Wet Cleaning machines will allow you to wash the very same items you currently put in your dry cleaning machine, from suits, to wedding dresses and even suede's and leathers!

From only **£999 a month** you could become a Wet Cleaning Specialist.

The package will include the Wet Cleaning washer and dryer, trouser topper, body former, finishing table and boiler on a fully maintained agreement.

Please contact Wilson Electrics on 0116 274 7744 to discuss this further
