February 3rd 2015

It's a great day to pursue something you've been coveting for some time. This might be anything from a job promotion to a new outfit to someone cute and special. Your energy is high and you're feeling courageous, but there's more to it than that. Your natural charisma is really shining now. You're drawing good things your way, simply because you believe you deserve them. It's your very own law of attraction!

Aries

YESTERDAY

TODAY

TOMORROW

February 5th 2015

Take someone special to dinner tonight, or invite your friends out for an evening of dancing. The only requirement is lights, laughter and good times. Of course, with your high energy, that shouldn't be hard to find! Even if you can't head out for fun, you can still express your fiery, spicy side. Flirt a little. Smile at a stranger on the street. Have a good time.
