

(A) → Cloud with thunder light Missing

(B) → Too Big it become the main object of the Scene
I need (C) to be the main and (B) a far object.

(C) → Main object therefore Increase size. Also make it broken a bit and not smooth surface with some grass and algae around.

(D) → No Boat, Take out. Zed and his friend arrived at the Coast by flying ~~Ship~~ Boards which was broken and scattered ~~at the~~ around the shore.

(E) → Try your best To Increase the size and Show them steering at object (C) all back side view. *11/6/14*
