

The logo features a central rectangular box with rounded corners, containing the text "Dumpster Diving Diva" in a black, handwritten-style font. The box has a white border and a grey, textured interior. This central element is surrounded by a complex, artistic arrangement of black and pink decorative elements. These include swirling, vine-like lines, solid pink circles, concentric pink circles, and various grey splatters and dots. The entire composition is set against a light cream background.
